Dear Cheryl

Re: Betchworth Parish Council
Internal Audit Year Ended 31 March 2024 – Year-End Audit report

Executive summary

Following completion of our year-end internal audit on the 22nd April 2024 we enclose our report for your kind attention and presentation to the council. This report contains details of the additional testing conducted at year-end and should be considered alongside the interim audit reports issued following our interim audit on the 8th November. The audits were conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Betchworth Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Mark Mulberry of Mulberry Local Authority Services Ltd, who has over 30 years' experience in the financial sector with the last 13 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2023/24 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

Year-End Audit

The year-end audit was conducted on site. Information was requested from the council in advance of the audit taking place, and this was reviewed along with other information published on the council's website <https://www.betchworth-pc.gov.uk/>

Interim Audit - Points Carried Forward

Audit Point	Audit Findings	Council comments
Governance	I confirmed by sample testing that Councillors sign "Acceptance of Office" forms, and "declaration of interest"; however, the councillors should sign a formal acceptance to receive information by electronic means. I have provided some sample wording below for council consideration.	Completed
Agendas	The Clerk was able to demonstrate that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance. I recommend the agendas are updated to "Summon" councillors to the meeting as per regulation.	Completed
Financial regulations	<p>However, I think council should revisit regulation 4.1 to allow the clerk to spend on operational items without the need for written approvals. At the same time council may want to consider aligning the thresholds at 11.1.h to make them all consistent.</p> <p><i>There is a typo in FR 12.5 " Subject only to the limit set in Reg. 14.2 above, no tangible moveable property shall be purchased or acquired without the authority of the full council. In each case a Report in writing shall be provided to council with a full business case.</i></p> <p>The clerk demonstrated that council considers the purchases and minutes this; however, I remind council the exact wording of the regulation that requires a written business case. Also please note the typo I the regulation as highlighted above.</p>	<p>Updated – and approved by council.</p> <p>Daily processes updated and business cases written</p>
Bank	The bank is not a dual access system whereby the originator of a transaction cannot authorise the same transaction, I would recommend this is reviewed.	On-going
Transparency	<p>The council does not have income and expenditure in excess of £200,000 and as such is not required to follow the "Local Government Transparency Code 2015" which is recommended practice not a statutory requirement. In addition to this, because the council's income and expenditure exceeds £25,000, it is not a statutory requirement to follow the requirements of the Local Government Transparency Code, although it is recommended best practice to do so.</p> <p>It is very likely the regulations will be updated in the near future and I would therefore recommend the council consider updating its website to show the transparency information in a more accessible format. I recommend reviewing the website of West Chiltington parish Council as a good example of this in practice.</p> <p>www.wcpc.org.uk/transparency</p>	On-going

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check that the council's Finance Regulations are being routinely followed.

Further to the testing conducted at the interim audit, I checked a sample of invoices and payments made towards the end of the financial year. I was able to confirm amounts processed matched the amounts paid on the bank statements, were consistent with the associated invoice and had been approved in accordance with the council's adopted Financial Regulations.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

We also asked if assertion 8 of the annual governance statement had any impact on the council. There is no impact.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

Comprehensive financial management information is presented to full council, including income & expenditure against budget, bank statements and invoices for payment lists, providing councillors with sufficient opportunity to scrutinise the council's overall financial position.

I am under no doubt council property prepares budgets and financial reports and that councillors are able to make informed decisions based on these.

Analysis of the council's year-end income and expenditure report shows total income for the year reported as 224% and total expenditure as 36%. I have reviewed the income and expenditure against budget report and note the additional unbudgeted income is due to CII and burial income, neither of which can be properly anticipated. The expenditure was significantly underbudget, when compared to budget, this is because a large proportion was to come from earmarked reserves rather than the precept. Under spending against budget has in the main been correctly earmarked for future spend on the same projects.

At the end of the financial year, the council held circa £96,202 in earmarked reserves (EMR) and a further £15,310 in the general reserve. I was able to compare reserve information across the management accounts and the AGAR working documents and found the totals to be consistent.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states '*the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure*' (para 5.33).

The general reserve balance is within the top end of the recommended range.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and was able to confirm from the accounting software that this includes only salary payments, HMRC payments and pension contributions.

I reviewed the March 2024 payroll journal and can confirm the net payments to staff agreed to the payroll summary for the same month.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register. I confirmed by sample testing of the invoices that items added during the year has been accurately recorded as the original net purchase price.

I am under no doubt the register is up to date and correct as at 31st March 2024.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

I reviewed the March 2023 bank reconciliation for all accounts and was able to confirm the balances to the bank statements and cashbooks and found no errors. The balances agreed to the end of year AGAR.

The council benefits from the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS). The council also has an adopted investment strategy on its website.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

Section 1 – Annual Governance Statement

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

Audit findings

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement for a box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2022/23 and published on the council website.

The variance analysis has been completed to explain the variances exceeding 15% where required.

K. LIMITED ASSURANCE REVIEW**Internal audit requirement**

IF the authority certified itself as exempt from a limited assurance review in 2022/23, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2022/23 AGAR tick “not covered”)

Audit findings

The council did not certify itself exempt in 2022/23 due to exceeding the income and expenditure limits and this test does not apply.

L: PUBLICATION OF INFORMATION**Internal audit requirement**

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

At present no specific guidance has been provided to set out what the ‘relevant legislation’ is in respect of Control Objective L. We have therefore considered the requirements of Statutory Instruments 2015/480 The Local Government (Transparency Requirements) Regulations 2015 [<https://www.legislation.gov.uk/ukxi/2015/480/made/data.pdf>] and, 2015/494 The Smaller Authorities (Transparency Requirements). https://www.legislation.gov.uk/ukxi/2015/494/pdfs/ukxiem_20150494_en.pdf

In addition to this, we have considered the additional publication requirements as set out in the ICO Model Publication Scheme for Parish Councils. <https://ico.org.uk/media/for-organisations/documents/1153/model-publication-scheme.pdf> & https://ico.org.uk/media/for-organisations/documents/1266/parish_council_information_guide.doc

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority’s website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

The council has income and expenditure less than £200k but greater than £25k and as such falls outside the scope of both sets of transparency legislation; however, it is recommended as best practice to publish information in line with the requirements. The clerk is considering the publication of financial information as per the Transparency code 2015. I applaud the council’s action in this regard and have signposted the council to West Chiltington website that shows this in action.

The council does not have a summary model publication policy; however, it is clear the website contains much if not all the required information. **I recommend the council populate the model publication scheme document and post to the website along with the other council policies.**

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor’s Report and Certificate) of the AGAR are available for review on the council website for financial years 2018/19 to 2022/23 inclusive.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority has demonstrated that during summer 2023 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2022/23	2023/24 Proposed
Date AGAR signed by council	15 May 2023	13 th May
Date inspection notice issued	2 June 2023	31 st May 2024
Inspection period begins	5 June 2023	3rd June 2024
Inspection period ends	14 July 2023	12 th July 2024
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2022/23, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2023/24 meet the statutory requirements.
