

Parish Council Highways Report October 2024

Pebblehill Problems

Our County Councillor Helyn Clack ,chaired a meeting with residents from Pebblehill & Parish Councillors to seek some clear strategy to significant issues of concern on the damaged embankment & the long outstanding drainage problem at the lower end of the road. Helyn had adopted the problems to progress & Senior SCC Engineers participated in the meeting .

Disabled Set Down / Pick up Bay North of Station

Andy Needham has completed surfacing of the bay which is ready for use. The Parish Council are grateful for his contribution to the community in the absence of such facility available on the station forecourt which is in private ownership.

Alternative Bus Route during Network Rail Closure of Line

The North Downs Committee Secretary is in contact with Network Rail & GWR to endorse their support for the change of route to improve safety for passengers. SCC Highways are required to make referral to the Police before any implementation. Helyn Clack has been requested to check progress.

Bus Stop Proposal North of Level Crossing

As for above item North Downs Secretary is to liaise with Network Rail.
