

th Parish Council Action 8/7/26

Date of Meeting	Minute #	Action	Who
03/05/2022	20	High Ridge Woods, these footpaths are currently closed, but it was agreed that these will be looked at for potential kissing gates to be installed in the future, will also look at the feasibility of making them safe for mobility scooters.	Cllr Winter
08/04/2024	438	Cllr Winter noted that the litter pick was extremely successful and with a wonderful turnout of volunteers of differing ages. Betchworth Parish Council would like to thank everyone involved, including the Village Post Office Café for the drinks provided afterwards. During this litterpick it was identified that some new equipment will be required for the future. Cllr Winter to complete a full audit of high vis jackets and equipment and notify Council what is required for purchase.	Cllr Winter
01/07/2024	104	An email has been received from a parishioner requesting that the council consider replacing the existing railings at the end of the School Path. The current metal railings are missing the 2nd, lower rail and this, combined with the design (round and smooth) encourages children to spin around the top rail. It was unanimously agreed that the railings need replacing and rather than a like for like replacement, a style more appropriate to the location should be considered (like the fencing on the opposite side at Goulburn Green). It was agreed that CIL money was appropriate to fund this project. The clerk will provide estimates for consideration at the September meeting	Clerk
06/10/2025	226	Follow up again with CCllr Clack & SCC on street markings by the school	Clerk
11/05/2026	18	Potential for project for signage to improve dog mess	ALL

Update	Date Closed
